Packing and Shipping

Most shipping is done via the Postal Service in protective packaging we have purchased for the purpose. For a single item, the packing will cost a dollar or two. The postage involved can range from \$3 -9 based on location, size and weight. Of course, there are efficiencies with multiple items.

On receipt of your order, we will estimate the actual costs to be incurred and advise you of them, and the amount you will remit for the order and shipping services. On receipt of your payment, the order will be shipped promptly. Wrapping, addressing and delivery to the post office are provided by our volunteer storekeeper.

If you have any questions about the items, or ordering and shipping, please address them to Storekeeper Emilie Green at the address or e-mail above.
